

# CHS Class of 2023

"Gonna need some more storage for all these memories" - Juniors

## OUR MISSION ...

The Class of 2023 Booster Committee's mission is to build community, support the Class of 2023 and raise money for Claremont High School's long-standing tradition of an unforgettable safe-and-sober graduation party.

## Enjoying Junior Year...

As we embark on our Junior year, we have so much to look forward to. Finally upperclassmen (!) and there are games, dances, homecoming, college visits, sports, club events, rallies and so much more! The best part is none of this is taken for granted and there is a newfound appreciation for even the smallest event we are able to attend. Many of you are already feeling the pressures and workload of being a Junior and it is important to take some time out and make sure you have a little fun and enjoy this year.

Your Class of 2023 Boosters are working on creating some fun events for our Junior Class and, while it is no secret our goal is to raise funds for next year's Grad Night, we have every intention of having a little fun along the way, too. Keep an eye out for more information on our "Just Juniors" event---- a special day just for YOU, our class of 23! Also, back by popular demand, the Class of 23 will be selling BOO Grams again. Make sure you pick one up to surprise a friend.

We are so excited to be back and able to put on in-person events. As always the Class of 23 thanks you for your involvement and support. We couldn't do it without you! - *Class of 2023 Boosters*

## Class of 2023 Grad Night

You can make your payment in full or make a deposit so we can hold your spot. The Class of 23 is hoping we can wrap up the majority of our fundraising this year so that we can spend next year planning out the details to an amazing celebration for our class.
