

CHS Class of 2023

Keeping it FRESH!

OUR MISSION...

The Class of 2023 Booster Committee's mission is to build community, support the Class of 2023 and raise money for Claremont High School's long-standing tradition of an unforgettable safe-and-sober graduation party.

WE NEED YOU!...

In order for us to reach our goal we need YOUR commitment and support. We realize not everyone can attend meetings or join a planning committee but everyone can do something. Please support the fundraisers, tell your friends and family about restaurant nights, purchase merchandise and over the next four years, be understanding. It takes the whole community to make things happen for our kids.

Let The Adventure Begin!

Freshman year!

A new school, new opportunities and new friends! We have all heard how these four years are going to fly by, so how do we make the best of them?

While academic success is a top priority in high school it is also important for students to learn about themselves, their community and connect with the people around them. Maybe we can no longer help our teenagers with their math homework but we can work at fostering a sense of belonging by

building our community and connecting with each other. This will help create a sense of security, memorable experiences and help our teenagers understand that Claremont High School is something they are a part of, and not just a place they attend. The added benefit? Feeling safe and secure in school helps students focus their energy on learning and opens the door to significant academic improvement.

High School is one big adventure for all of us. Let the Adventure Begin! ●

Q: What is Claremont High Schools Grad Night?

A: Great question! Grad Night is a Claremont High tradition for more than 50 years! Immediately after their graduation ceremony, grads and parents are treated to an amazing event celebrating the culmination of their achievements at CHS. The details and location of this event are kept secret, but you can be sure it will include dinner, memories, laughter and excitement. At midnight, parents leave and graduates party until dawn in a fun, safe and supervised environment. You don't want to miss out!

Thank you for your support!
