Goodbye Zoom Meetings! Goodbye Pajama Pants!

We're Back & We're Juniors!

Hello CHS Campus! - Hello Friends! - Hello Junior Year!

From the moment we entered this high school journey, word on the street was that junior year is by far the most important and toughest year of one's academic career. This year will undoubtedly not be without its challenges and we are SO ready to face them - TOGETHER. While CHS teachers and counselors can help keep us focused on our academic goals and deadlines we, as a community, can support each other in many ways. Checking in with each other, making sure we take some time out for rest and fun, and getting involved in our school community/activities can help keep us on track.

We have all been through a lot these last 17 months and we have learned to persevere, overcome challenges, and move forward, but we do need each other. After not having in-person group activities, we all know how important of an outlet they truly are and we can't possibly take them for granted now.

So, get out there Juniors! Do all the things! Connect, learn, grow, work hard and have fun. We are proud of what you have accomplished and we can't wait to see what the next two years hold for the Class of 2023.

Let's Talk Class of 2023

Grad Night!

It's hard to believe but next year at this time we will be getting ready for Senior pictures and planning Senior activities. Ask anyone who has been there, it goes by in a flash. While we fully plan to relish each moment we are in, we also want to make sure we are planning for our Senior year so we can make the most of it.

Keeping It Real!

The 2023 Booster group is dedicated to throwing an AMAZING Grad Night Celebration for our Class of 2023 but, after everything our students have been through, we are even MORE committed and EXCITED to make it happen for our class. We can PROMISE you this will be a night your 2023 Grad and you won't want to miss, but we need your continued help and support to make it happen. While participating and supporting our class fundraisers is a huge help for us (PLEASE don't stop!) we need to ramp up reservations for our Grad Night tickets. A huge part of making this event successful is knowing how many students will be attending. Our hope is that we are able to finish the majority of our fundraising this year, and spend next year planning and preparing all the details that will make the event special for everyone.

Call To Action!

Planning on attending Grad Night but haven't secured your spot yet? Visit our website to reserve your space now. OR make a deposit on your ticket so we can plan for your attendance.
