Class of 2023

SOPHOMORES

Things Look A Little Different Around Here

Unprecedented Times

Back to School is definitely different this year. Instead of shopping for school supplies and new school clothes, we are setting up online learning areas at home. While none of us know how long this will last, we do know that we need to make the best of it, because time marches on and we won't get this year back.

Staying Connected

Now more than ever, it is important that we, as a community, stay connected. Communication plays a key role in bringing us together, so make sure you are following our class Facebook & Instagram pages and you are signed up to receive our emails. You can find links to these pages on our Class of 2023 website claremonthighschoolclassof2023.com.

Let's Celebrate!

The Class of 2023 is entering their Sophomore year and that should be celebrated, no matter what it looks like. Take a picture on the first day of school (you may need to chase the kids down that) and post it on our social media pages using #chswolfpack23 .

We know this year isn't starting out the way any of us would have planned, but whether we are learning online or in-person, let's work together and make it a great year!

Class of 2023 Grad Night!

While we still have 3 years until graduation it will be here before you know it. Have you secured your spot for the all-night Grad party?

Grad Night is a long-standing Claremont High School tradition that you won't want to miss.

Log on to our class website and click on "Grad Night" to learn more about this event and make your reservation now!

Show Your Class Spirit

We still have 2023 Merch available and waiting for YOU! Turn heads everywhere you go by sporting the hottest threads available in town. Log on to our class website claremonthighschoolclassof2023.com and order your Spirit Wear today! Please Note: All proceeds from our Class Spirit Wear go towards our 2023 Grad Night Event, so this is a great way to show your support. (After you place your order we will contact you to set up delivery)

We Need You Now More Than Ever!

As you know, our fundraising was cut short last year when all events were canceled. While we still have plenty of time to make up for the shortfall, we REALLY need your support and commitment in helping us fundraise. We are currently planning some virtual fundraisiing events and will be hosting to-go restaurant nights, so please make sure to be on the lookout for more information.

Thank you for your support!
