Keeping it FRESH!

## OUR MISSION ●●●

The Class of 2023 Booster Committee's mission is to build community, support the Class of 2023 and raise money for Claremont High School's long-standing tradition of an unforgettable safe-and-sober graduation party. ●●●

## What A Year!

Can we just be straightforward here? At this point there is only one word we can use to describe this school year, CRAZY! From the nervousness (and excitement) of the transition from Jr. High to High School, to the ransomware attack that left the kids going back to good old fashion pen and paper, and finally, a stinking Pandemic! Let's just say, you couldn't make this stuff up folks, really. But here we are, we made it to the end of the school year and our Freshman year is complete. While nothing (and I mean, nothing) played out as we planned there were many great moments and lessons gained. We met new friends, people we will learn more about along the way, found our way around the now familiar campus, survived being told to "sit down" at pep rallies, mastered opening our locker and memorizing our combination, completed Freshman PE, got through our first finals week and maybe even made some mistakes along the way. However,

probably the best lesson we learned was how not to take the simple things for granted. Meeting up in the quad before school, the high-five during passing period, eating lunch together, playing sports or just sitting in a classroom with our peers, it all matters. We have learned that school is about so much more than education -it's about community. Community gives us a sense of belonging, helps us grow into who we will be, and keeps us connected in a way that no Zoom call can. We are so fortunate to learn these lessons as Freshman while we still have time left to really appreciate the high school years. Whatever happens in the coming months we can be sure that we will head into our Sophomore year a bit older, a little wiser and with an even greater emphasis on community.

Have a safe and wonderful summer! The 2023 Booster Club thanks you for your support and looks forward to connecting with you next school year. ●
